| Assay FeSO ₄ | 86.0-89.0 % | 88.0 % |
| Bulk density (loose) | min. 0.95 g/ml | 1.25 g/ml |

Regarding the Organic Volatile Impurities we state herewith, that the controlled production, handling and storage of this material precludes the presence of the toxic solvents as specified in USP/NF.

The product has been tested and found in compliance with above stated parameters. Above information does, however, not release customer from making his own controls upon receipt of goods.
